Specification & Features

Stock colour red
Sequentially numbered stock seals
Full personalisation on request can include:

- Receipt tabs
- Barcodes
- Sequential numbering
- Logo and text
- Different sizes
- Different shapes
- Security cuts

Layered Tamper Evident Security Seals

Specifically designed for use on paper and cartons. SVL layers delaminate on removal to reveal a highly visible void message. A void layer also remains on the application surface without causing fibre tear.

Standard Sizes & Colours

85x25mm

110x30mm
